Your Honor Sir, I'm writing to your chambers and requesting for you to dismiss CMS defendants in my Complaint (Reason) First Correctional Medical is responsible for all in the Complaint. I was charged by CMS a couple of times after they had taken Contract over, but FMC is responsible for me being overmedicated, as well as being cut off in June 05 in order to be charged for sick call visits and medication when I was already considered to be an chronic to receive medication permanently. I am still proceeding on with this complaint on FMC First Correctional Medical and the Amended Complaint that's before you. Your Honor sir, this would only be the right thing to do. This letter is sent in respect.

Thank You,
Sincerely
Thomas R. Miller
